THE HOLY LAND. Series I.

The South Wall of Jerusalem from the Village of Siloam.

By appointment.

Printed in Saxony.

Postcard No. 8976

The dotted building in the left upper corner is the Greek Convent on Mount Zion. The dome to the right belongs to the Mosque of El Aksa. The structures underneath the building conceal the Double Gate, supposed to be the Huldah portal of the Talmud. The wall down in front is part of the Southern Wall of the City, while the hill is that of Jehoshaphat.

My Dear Jim,
Was not that a splendid
letter from Mam. it did
Effie's energy, is not
Let us know if you
letter in Monday. I
Effie. You are
Chris from
some
to Mam & Granny
Much Love
